子どものための日本語

OHISAMA First Steps Japanese Textbook for Multilingual Children

For age
4
and up

Emi Yamamoto/Junko Ueno/Yoshie Mera [author]
Kurosio Publishers [ed.]

Child-friendly illustrations, photos, varied topics of conversation and fun activities enrich children's knowledge of Japanese all while stimulating their intellectual curiosity. This textbook also strengthens children's powers of perception and aims to strengthen their ability to express themselves and make them effective communicators. Children's awareness of Japan and the world will expand, promoting cross-cultural understanding.
